# WHY SPONSOR IGEC25?

IGEC25 unites the 17th International Green Energy Conference and the 6th International Conference on Energy and AI, creating a global platform for innovation at the intersection of green energy, AI, chemical engineering, and environmental sustainability.

By sponsoring, you connect with leading scientists, academics, policymakers, industry leaders and the next generation, shaping the future of affordable, clean energy, decarbonization, and net-zero solutions.

Use this opportunity to showcase your brand, extend your network, influence the conversation, and align with groundbreaking research and technological advances at an international platform for collaboration and increased knowledge to drive the green transition.
